# CNRN REVIEW COURSE

Presented by the Northwest Chapter  
of the Association of Neuroscience  
Nurses (AANN).

April 24 and 25, 2017

8:00 am-4:30 pm

Swedish Medical Center

Cherry Hill Campus Auditorium

500 17<sup>th</sup> Avenue

Seattle, WA 98122

## Become a CNRN

The Certified Neuroscience Registered Nurse (CNRN) is a nationally recognized credential and represents specialized experience and knowledge in the care of patients with neurologic injury and illness. Earned and maintained by over 3,000 neuroscience nurses, the credential assists your patients, peers and organization in recognizing your unique abilities in caring for a very special patient population.

## CNRN Exam Eligibility

Eligible candidates must have a current RN license and must be engaged in neuroscience nursing clinical practice or employed as an administrator, consultant, educator, or researcher. At the time of application, a candidate will have completed the equivalent of at least 2 years (4,160 hours) within the last 5 years of full-time direct or indirect neuroscience nursing practice. For a detailed explanation of eligibility requirements and to apply to sit for the CNRN exam, obtain a copy of the ABNN Candidate Handbook and Application, available at <http://abnncertification.org/uploads/CNRN/ABNN%202017%20CNRN%20Handbook%20Final.pdf>

## CNRN Exam Application Deadlines

The CNRN exam is offered in a Computer-Based Testing (CBT) format. The CBT exam is offered at approximately 190 PSI/AMP testing sites throughout the United States and Canada.

Applications for the exam must be received by the 15<sup>th</sup> of each month to test in a window from the first day of the next month to the last day of the second month. Exam appointments must be scheduled online or by phone with PSI/AMP. Refer to the ABNN Candidate Handbook for 2017.

## CNRN Review Course

The CNRN review course is meant to accompany self-study exam preparation and is designed for the

experienced neuroscience nurse serious about obtaining specialty certification within the next year.

The CNRN exam is challenging and requires study outside of this review course. Taking this course does not guarantee a passing score on the exam.
